## EXPERIENCE SUMMARY

I'm a professional creative UI/UX designer. From User research to usability testing, I have three degrees in design plus certificates because I always like to update and learn. I like to work with a group as well as alone. My strategy for any project I've worked on is to plan the project to avoid mistakes.

**2016 - 2023**      **Graphic Designer**  
Paradise of the Desert  
Limousine Services  
I am in charge of designing and printing, website development, Logo design, animation, and SEO. I do research on competitive companies and make updates when needed.

**2020 - 2023**      **UX/UI DESIGNER (Part time)**  
Cafè  
I worked with another designer and as a team to create and develop the website, conduct research, and design the final test.

**2012 - 2019**      **College of the Desert**  
Associate's degree, Digital Design & Production

**2014**      **Laguna College of Art and Design**  
Bachelor's degree, GRAPHIC DESIGN + DIGITAL

**2001 - 2005**      **University of Baghdad**
