## SUMMARY

I'm a professional creative UI/UX designer. From User research to usability testing, I have three degrees in design plus certificates because I always like to update and learn. I like to work with a group as well as alone. My strategy for any project I've worked on is to plan the project to avoid mistakes.

## EXPERIENCE

**2016 - 2023**
Graphic Designer
Paradise of the Desert
Limousine Services
I am in charge of designing and printing, website development, Logo design, animation, and SEO. I do research on competitive companies and make updates when needed.

**2020 - 2023**
UX/UI DESIGNER (Part time)
Cafè
I worked with another designer and as a team to create and develop the website, conduct research, and design the final test.
